

Meeting Minutes

- 1 The IRDR Scientific Committee Induction Meeting was held online at UTC 13:00-14:30 on 2 July, 2024. The meeting provided opportunity for all IRDR Scientific Members to know with each other and to meet with the colleagues from IRDR cosponsors, and the team of IRDR IPO and its Host AIRCAS. The meeting also provided an overall introduction about IRDR so that SC Members become prepared for taking their roles. Initial discussion on the preparation of 27th Scientific Committee meeting (IRDR SC27) and IRDR 2024 Conference was also started at the meeting. The Agenda of the meeting is Annex-1 and the List of Participants is Annex-2.
- 2 **Item 1 Welcome and Round Table Introduction**
 - 2.1 Qunli Han (QH), the Executive Director of IPO, welcomed all the SC members and thanked for their commitment to support the mission of IRDR. The meeting agenda was adopted.
 - 2.2 Round table introductions to all the participants were made. The SC members introduced their background, current title, affiliation and responsibilities, and their expectation to IRDR. The IPO staff introduced their roles and responsibilities. Saini Yang (SY), the incoming Executive Director, expressed her commitments to IRDR mission and IRDR community and looked forward to working closely with this dynamic, diverse and dedicated Scientific Committee.
- 3 **Item 2 Messages from Co-sponsors and Host of IPO**
 - 3.1 Anne-Sophie Stevance (AS), ISC Senior Science Officer and IRDR *Ex-Officio*, explained the role of Co-sponsors and congratulated IRDR's development with new SC members of outstanding expertise. She further introduced the vision and mission of ISC and the position of IRDR in ISC community. She referred ST Major Group of Sendai Framework, Midterm Review of Sendai Framework and the actions forward, the review of Hazard Information Profiles, and the implementation of the Global Research Framework.
 - 3.2 Jie Liu (JL), on behalf of the host of IPO, conveyed the full support and commitment from AIRCAS to IRDR through its extensive resources and expertise. She also briefly introduced the integrated space-air-ground civil space infrastructure built by AIRCAS.
- 4 **Item 3 The preparation of IRDR SC27 and IRDR 2024 Conference**
 - 4.1 QH briefed about the mission, function, structure, main deliverables, research

cooperation mechanism and the current clusters of actions of IRDR. He drew the attention of two important IRDR meetings:

- **27th IRDR Scientific Committee Meeting (IRDR SC27):** 21 Oct and AM of 22 Oct, 2024;
- **IRDR 2024 Conference:** PM of 22 Oct, 23 Oct, and AM of 24 Oct, 2024.

4.2 The preparation of IRDR SC27 and IRDR 2024 Conference will be facilitated by IPO. SC members will take the roles as scientific committee of IRDR Conference and help to design of agenda and output of the Conference. To this end, IPO will organize a few online meetings in coming weeks for detailed discussions.

4.3 Alik Ismail-Zadeh (AIZ) raised the question on the linkage with UNDRR and the function of the collaboration between IRDR and UNDRR. QL provided examples of previous IRDR work to this end, and would convey this question to Jenty Kirsh-Wood (JKW), IRDR *Ex-Officio* from UNDRR. AIZ also inquired for the contributions to COP29 by side events participated or organized by IRDR and its co-sponsors. Naxhelli Ruiz-Rivera (NRR) inquired about a common tool for online documents sharing. Fang Lian (FL) and IPO colleagues will explore another tool besides IRDR website.

5 Item 4 Wrap Up

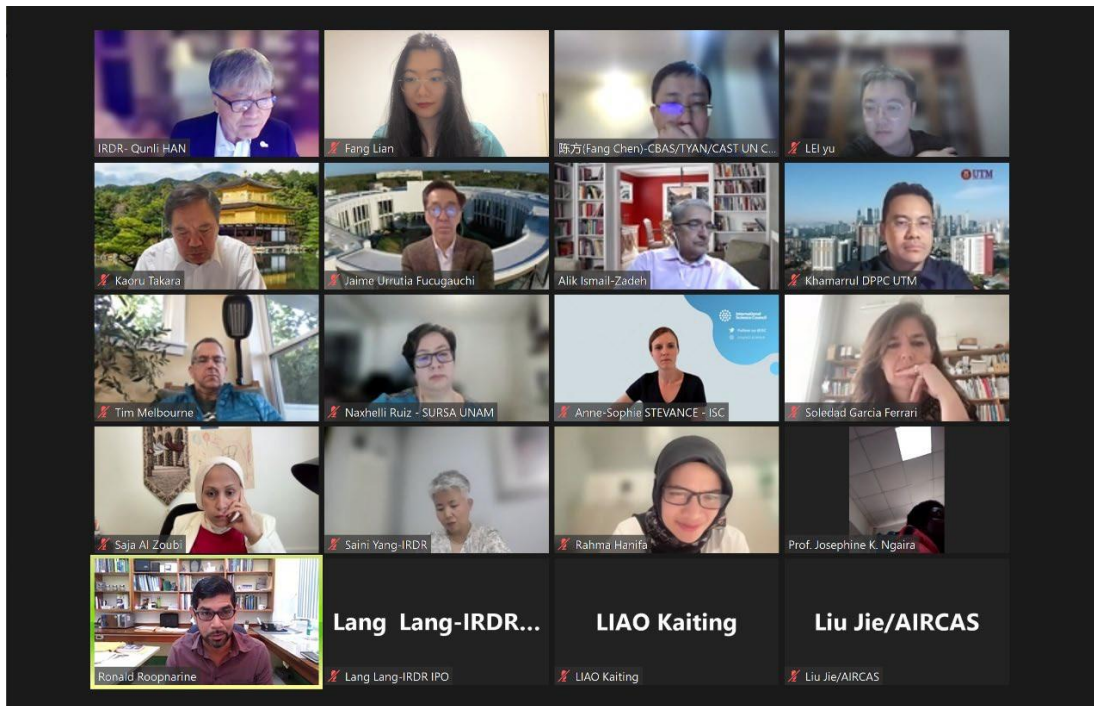

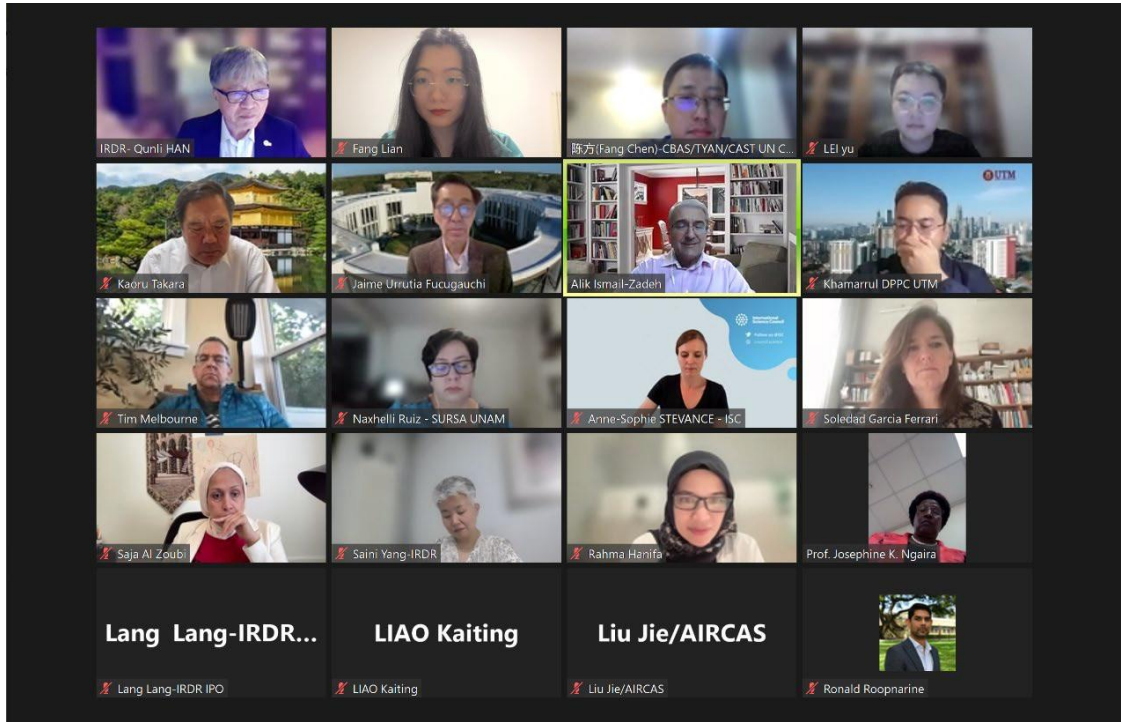

5.1 QH wrapped the meeting and summarized the discussions and follow-up actions.

- IPO will provide meeting minutes to SC members soon after the meeting;
- The initial draft agenda of IRDR SC 27 and draft concept note of IRDR 2024 Conference will be shared to SC members for reference;
- A doodle will be sent to SC members to schedule next online meeting.
